

The VMware logo is displayed in a large, light blue font. It features a stylized icon on the left, composed of two blue squares: the top square is offset to the right relative to the bottom square. To the right of this icon, the word "vmware" is written in a lowercase, sans-serif typeface. The letters "v", "m", and "a" are a darker shade of blue, while the letters "n", "n", "a", "g", "e", and "r" are a lighter shade of blue.
